<b>Policy information</b>	
<p>Your insurance is covered under two master policy numbers, RTARI40035-07 &amp; 08 A your pre-travel policy and RTARI40035-07 &amp; 08 B your travel policy. Covered2go is a trading name of Rush Insurance Services Ltd and underwritten by Travel Insurance Facilities, insured by the United Kingdom and Republic of Ireland Branch Office of Union Reiseversicherung AG. Please be aware no full refund of the insurance premium will be given after the policies have been issued if you have travelled on, claimed or intend to claim against the policy.</p>

### IN CASE OF A SERIOUS EMERGENCY

please contact the 24 hour emergency assistance service provided by Emergency Assistance Facilities

**+44 (0) 203 829 6639**

**Your policy covers treatment at a public/state facility only, unless approved by us.** Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact Emergency Assistance Facilities for advice. We strongly suggest you put their telephone number, **+44 (0) 203 829 6639**, into your mobile phone before you travel so that it is to hand if you need it. Get details of the hospital you are being taken to so that our Emergency Assistance Facilities doctor will be able to obtain a medical report at the earliest possible opportunity. You may need to pay the policy excess locally and ask the hospital to send the rest of their bills to Travel Claims Facilities at: 1 Tower View, Kings Hill, West Malling, Kent, ME19 4UY. Our appointed assistance service, Emergency Assistance Facilities, will explain this to them and provide them with a faxed/email confirmation if necessary.

#### You will need to have some basic information for them to hand:

- your telephone number in case you are cut off
- patient's name, age and as much information about the medical situation as possible
- name of the hospital, ward, treating doctor and telephone numbers if you have them
- tell them that you have a Cruise Covered2Go insurance, policy number and the date it was bought
- the patient's UK GP contact details in case they need further medical information

#### Things to be aware of/remember

- Your policy does not cover any costs for private medical treatment unless authorised by us.
- **NEVER** give your passport to a clinic or hospital.
- It is not always possible to return home immediately after discharge following injury or illness. You will be able to return home when the assistance service considers it safe, in conjunction with your doctor, and airline regulations have been met. Sometimes you will need to stay in resort for a while longer before returning home so the assistance team will arrange additional accommodation for you.
- You may be required to obtain your medical records in the event of a claim.

### OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS

If you need to see a doctor, ask your hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge you to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give you unnecessary treatment and at inflated prices - if you are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe you should show them your EHIC card, and have it accepted, as medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by Emergency Assistance Facilities. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return. In the event that you need to seek outpatient treatment when you are travelling in any of the countries listed below then it may be that immediate payment can be arranged locally using the services of Charge Care International whom we have appointed to act on our behalf. To take advantage of this service please show the treating doctor or clinic the logo shown to the right as this will enable them to identify our membership and avoid language difficulties. If the hospital you are treated at subscribes to this service they will ask to see your proof of insurance so it is important to carry this with you. You will be asked to complete a simple Charge Care form to confirm the nature of the treatment received. The doctor or clinic will collect the policy excess from you and send their bill to Charge Care for payment. **The countries where this service is available are: Cyprus, Bulgaria, Egypt and Turkey.** [www.chargecare.net](http://www.chargecare.net)

### WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact Emergency Assistance Facilities on **+44 (0) 203 829 6639** for advice first. If you need to come home for any other reason, such as the illness of a close relative in the United Kingdom, Channel Islands or BFPO then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured. If you are not sure whether your circumstances are included in the cover then call Travel Claims Facilities on +44 (0) 203 829 6603.

**Summary of cover** (this is **only** a brief description of the cover provided and some of the principal conditions, you **must** refer to the relevant section in the policy wording for full details.)

## DISCLOSURE OF YOUR MEDICAL CONDITIONS

Your policies may not cover claims arising from your medical conditions. If you answer 'yes' to any of the questions below then you must declare the relevant conditions to us.

So that we can ensure you are provided with the best cover we can offer please read and answer the following questions carefully and accurately:

Have you, or anyone insured under this policy ever been diagnosed or received treatment for:

No	Any type of heart or circulatory condition?	Yes
	Any type of stroke or high blood pressure?	Yes
	Any type of breathing condition (such as Asthma)?	Yes
	Any type of Cancer (even if now in remission)?	Yes
	Any type of Diabetes?	Yes
	Any type of irritable bowel disease?	Yes
	Has your doctor altered your regular prescribed medication in the last 3 months?	Yes

**In the last 2 years** - have you, or anyone who is insured under this policy, been treated for any serious or re-occurring medical condition, asked to take regular prescribed medication, or referred to a specialist or consultant at a hospital for tests, diagnosis or treatment?

No

Are you, or anyone who is insured under this policy, waiting for any tests, treatment or a non-routine hospital appointment?

No

Full cover is available under this policy. If your answers to any of the above change to YES during the period of insurance, please visit us at [www.covered2go.protectif.co.uk](http://www.covered2go.protectif.co.uk)

Do any close relatives, business associates or friends who are not travelling with you or who are not insured with us have an existing medical condition (even if considered as 'stable', under control or in remission)?

If you have answered yes to the questions on the left, you must tell us, in order to obtain cover for your medical condition(s), although an increased premium or excess may be required to do so.

To enable us to consider your medical condition please visit:

[www.covered2go.protectif.co.uk](http://www.covered2go.protectif.co.uk)

Should we require any additional premium, and you accept our offer, this should be paid to Travel Administration Facilities, and sent within 14 days of our offer. If your existing medical condition would require an additional premium to be covered and you choose not to declare it, we reserve the right to decline a claim relating to this condition, unless otherwise agreed by us in writing. Full confirmation of our terms and conditions will be sent out to your address after your call. Any additional medical conditions not declared to us will not be covered.

### BE AWARE!

We are unable to provide cover for any claim arising as a result of an existing medical condition of a non-travelling close relative, the person you are intending to stay with, a business associate or friend, or any known or recognised complication of or caused by the existing medical condition.

## CHANGE IN HEALTH PAGE 7

If your health or your ongoing medication changes between the date the policies were bought and the date of travel you must advise us at [www.covered2go.protectif.co.uk](http://www.covered2go.protectif.co.uk) as soon as possible. We will advise you what cover we are able to provide for your change in health, as defined on page 9, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

### BE AWARE! We do not provide any cover for:

- claims caused by an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a close business associate or friend, or any recognised complication caused by the existing medical condition as defined on page 9.
- any circumstances that are not specified in your policies.

### WHEN YOUR TWO POLICIES START AND END

When purchasing a Single Trip Policy, the cover under Policy A, as described as Section A Pre-Travel Policy, begins from the moment you pay your premium and ends when you leave home to start your trip.

On Annual Multi-Trip policies, cover starts on the chosen date and cancellation cover is not in force until that date. Subsequent trips will be covered for cancellation during the period of cover.

The cover under Policy B, as described as Section B Travel Policy, begins when you start your trip and ends when you complete your trip, or when the policy expires, whichever is first. No further trips will be covered except where you hold an Annual Multi-Trip policy which will cover further trips with durations of 31 days and less, unless the appropriate additional premium has been paid to upgrade this to 45 or 60 days and this is on your policy schedule.

There is absolutely no cover for any portion of a trip which is longer than 31 days in duration unless the appropriate additional premium has been paid to upgrade this to 45 or 60 days and this is on your policy schedule.

### EXTENSION OF PERIOD

If in the event of either your:

- death, injury or illness during your trip,
  - delay or failure of public transport services during your trip;
  - delay or failure of your return flight to the UK, Channel Islands or BFPO from your international departure point;
- you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip.

<b>YOUR POLICY WORDINGS</b>	<p>Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium.</p> <p>Travel insurance policies have specific requirements for both purchasing and making successful claims. <u>Please take the time to read and understand it</u> straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered). If your circumstances do not fit those specified then there is no cover in place.</p>
<b>CANCELLING YOUR POLICIES</b>	<p><b>You have a ‘cooling off’ period where, should you decide that you find that the terms and conditions do not meet your requirements, and provided you have not travelled or claimed on the policy, you can advise Covered2Go within 14 days of purchase for a full refund to be considered. Should you wish to cancel your policy outside of the 14 day cooling off period, and can confirm that there have been no claims on the policy and that you have not travelled, in addition to a £15 administration charge; the following cancellation terms will be applied dependant on what type of policy you have purchased.</b></p> <p><b>Single Trip policies</b> - In the event you have not travelled and are not claiming on the policy, a refund of 50% of the policy premium and any additional premium applied to your existing medical conditions will apply. If you have travelled or are intending to claim, or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium.</p> <p><b>Annual Multi Trip policies</b> - Provided you have not made a claim on the policy (irrespective of whether your claim was successful or not) and you confirm in writing that there is no claim pending, should you choose to cancel and understand that all benefits of the policy will be cancelled, we will refund 5% of the total premium paid, for each full calendar month remaining on the policy from the date of cancellation. If you are intending to, or have claimed (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. <b>We reserve the right to give 7 days’ notice of cancellation of this policy, without refund, by recorded delivery to you at your last known address in the event of the following circumstances; fraud, suspected fraud, misleading information or deliberate misrepresentation, or abusive behaviour to any of our staff or agents.</b></p>
<b>BE CAUTIOUS</b>	<p>This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage <i>as if you had no insurance cover.</i></p>
<b>PREGNANCY</b>	<p><b>Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive whilst you are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country.</b></p>
<b>MEDICAL COVER</b>	<p>Your travel policy is not Private Health Insurance, in that it only covers unavoidable, unexpected emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then need to declare your existing medical condition and have it accepted by Travel Administration Facilities for it to be eligible for cover under your policy. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be granted if travel is against the advice of your doctor or a medical professional such as your dentist.</p>
<b>EHIC</b>	<p><b>The European Health Insurance Card (EHIC) allows you (provided you are a UK or BFPO resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge.</b> We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on <a href="http://www.ehic.org.uk">www.ehic.org.uk</a> for the card is free and it is valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and these can be found on <a href="http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx">http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx</a>. Please note residents of the Isle of Man or Channel Islands are not eligible for an EHIC.</p>
<b>MEDICARE</b>	<p>If you are travelling to Australia you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.</p>
<b>YOUR EXCESS</b>	<p>Your policy carries an excess and this is the amount you have to contribute towards each claim, unless you have paid an additional premium to waive the excess. All excesses shown for this policy are payable by <u>each</u> insured-person, per section and for each incident giving rise to a separate claim. Your excess may be increased to include existing medical conditions confirmed in writing by us (PLEASE NOTE the optional excess waiver will not apply to excesses allocated to existing medical conditions). The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.</p>

**ADDITIONAL SPORTS AND HAZARDOUS ACTIVITIES:**

Unlike other policies we cover many sports and activities as standard, **no additional premium is required for activities listed in Activity Pack 1**. We have categorised the activities that are not covered as standard into seven further bands. If you do not see your chosen activity, do not worry, we may cover it, but you must contact us so we can discuss the activity and what, if any, additional premium is necessary. (All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated). Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional / paid / sponsored racing, timed events – unless otherwise specified, professional, display events, photo shoots, etc...) will not be covered under this policy. Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim. If you are unsure please do not hesitate to contact us on 0344 482 7760 and we can discuss your individual requirements. We consider 'professional or competitive' to be activities/sports where you are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of £200. Please note those activities marked in italics and underlined do not have Personal Liability cover or Accidental Death and Disability cover.
