IN CASE OF A SERIOUS EMERGENCY

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL US ON +44 (0) 203 829 6639

Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans.

We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice.

We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs and your recovery.

It is important that you are aware of the following:

FOR A NON-URGENT MEDICAL SITUATION

That is something you would normally see your GP or minor injuries unit for, so you don't need to attend hospital but you do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on your foot? We have teamed up with **Medical Solutions UK Ltd**, who offer UK Registered Doctors who give medical support and assessment over the phone and are able to prescribe globally. This means you can quickly access support with minor ailments without disrupting your trip too much. You can access this facility free of charge by calling

OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) are limited to state facilities. They don't always look as nice, but we have experience of good clinical outcomes within a regulated environment without the risk of a patients' health being compromised over commercial interest, immoral and dangerous practices such as extortion, detainment and withdrawal of treatment you are unlikely to find occurring in state facilities. If you would like to know more about our approach to best medical care overseas and repatriation planning, please visit our website https://philosophies.tifgroup.co.uk/

IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

In European Union Countries – if you present yourself at a public facility you should show your EHIC.

In Australia – you should enrol for Medicare, and have it accepted.

Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard policy excess will be waived from any claim you may make. If you are unable to use the EHIC, you will have to pay the medical facility and submit a claim when you get home, the policy excess will then be applied.

In Turkey, Cyprus, Egypt and Bulgaria – we utilise the services of Global Excel who can arrange for the bill to be paid directly. You simply fill in a Global Excel form in the medical facility to confirm the nature of the treatment received and pay your policy excess to the facility. They will then send the remaining bill directly to Global Excel for payment. More information can be found here www.globalexcel.com

Everywhere else in the World – if there is not suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

PLEASE NOTE: If the costs are likely to exceed £500 or you are admitted to hospital, you should call us on +44 (0) 203 829 6639.

If your answer changes to 'yes' at any point after the purchase of this policy you must call to inform us of this change in health to ensure you are fully covered for your trip.

BE AWARE!

We are unable to provide cover for any claim arising as a result of an existing medical condition of a non-travelling close relative, the person you are intending to stay with, a business associate or friend, or any known or recognised complication of or caused by the existing medical condition.

CHANGE IN HEALTH PAGE 8

If your health or your ongoing medication changes between the date the policies were bought and the date of travel you <u>must</u> advise us at <u>www.covered2go.protectif.co.uk</u> as soon as possible. We will advise you what cover we are able to provide for your change in health, as defined on page 10, after the date of diagnosis. We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

BE AWARE! We do not provide any cover for:

- claims caused by an existing medical condition of a non-travelling close relative, the person you are intending to stay with, or a close business associate or friend, or any recognised complication caused by the existing medical condition as defined on page 10.
- any circumstances that are not specified in your policies.

WHEN YOUR TWO POLICIES START AND END

When purchasing a Single Trip Policy, the cover under Policy A, as described as Section A Pre-Travel Policy, begins from the moment you pay your premium and ends when you leave home to start your trip.

On Annual Multi-Trip policies, cover starts on the chosen date and cancellation cover is not in force until that date. Subsequent trips will be covered for cancellation during the period of cover.

The cover under Policy B, as described as Section B Travel Policy, begins when you start your trip and ends when you complete your trip, or when the policy expires, whichever is first. Cancellation cover will cease when you start your trip, or when your policy expires, whichever is first. No further trips will be covered except where you hold an Annual Multi-Trip policy which will cover further trips with durations of 31 days and less, unless the appropriate additional premium has been paid to upgrade this to 45 or 60 days and this is on your policy schedule.

There is absolutely no cover for any portion of a trip which is longer than 31 days in duration unless the appropriate additional premium has been paid to upgrade this to 45 or 60 days and this is on your policy schedule.

EXTENSION OF PERIOD

If in the event of either your:

- death, injury or illness during your trip,
- delay or failure of public transport services during your trip;
- delay or failure of your return flight to the UK, Channel Islands or BFPO from your international departure point;

you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip.

Be Aware! This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available. Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice. We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs of your recovery. ADDITIONAL SPORTS AND HAZARDOUS ACTIVITIES:

Page 26

Unlike other policies we cover many sports and activities as standard, no additional premium is required for activities listed in Activity Pack 1. We have categorised the activities that are not covered as standard into seven further bands. If you do not see your chosen activity, do not worry, we may cover it, but you must contact us so we can discuss the activity and what, if any, additional premium is necessary. (All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated). Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / paid / sponsored racing, timed events – unless otherwise specified, professional, display events, photo shoots, etc...) will not be covered under this policy. Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim. If you are unsure please do not hesitate to contact us on 0344 482 7760 and we can discuss your individual requirements. We consider 'professional or competitive' to be activities/sports where you are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of £200.
